**13-15 Days Delivery Time,
UP to 10,000 Stitches 3"-5", for all Quantities!**

*We use standard backing material to stabilize the fabric, to prevent tearing and loosening of the embroidery.

*Embroidery goes through the visual back-part of the tie, the backing is pulled off.

*All type art needs to be at least 1/4" thick to get a clear embroidery.

*The art for ties should be above the 2 bottom end points so the machine can hold on to the fabric.

***IF YOU ARE INTERESTED IN A SAMPLE ONLY, THE COSTS WILL BE AS FOLLOWS:**
